

## Pave the Way - Donate a Memorial Path Brick

Join us in supporting a beautiful community vegetable garden. For a donation of \$100, you can honor a loved one, convey appreciation, or recognize a special date. Your brick will be added to those in the paved walkway at the entrance to Culverhouse Community Garden.

Funds raised from the Memorial Path project will finance the many items needed to help this community garden thrive, enhance the common grounds, and help the project reach its full potential. Help us pave the way by donating your brick(s) today. Email your questions to [greenbeyer@comcast.net](mailto:greenbeyer@comcast.net)
