

Our Community Garden Jobs for 2015-2016

Community Garden Managers: Marcia Freeman, Tom Hopp, Renee Contratto

CCG Managers are volunteers for the Sarasota County's Community and School Garden Program. They see that the Program policies are carried out and rules enforced. They help gardeners select jobs to fulfil the County Program common area work requirement, and more importantly, that help the garden run smoothly.

Project Managers:

Friends of Culverhouse Community Garden

Please join The Friends of CCG who built the garden and support it financially. They maintain a reserve fund for emergency repairs to the water system, raise money for capital improvement, and maintain the chapter's association with Friends of Sarasota County Parks, which manages chapter accounts and holds/disperses monies.
