Friendship - Exercise - Create something beautiful - Share gardening knowledge - Avoid toxins in food - Grow vegetables not commonly available – Work as a community

Donate food to the homeless - Grow organic food - Have a plot in a fenced area - Demonstrate sustainable agriculture

Provide nature therapy for mind, body & spirit - Dig in dirt and grow some of my own food - Be healthy and productive

Pave the Way - Donate a Memorial Path Brick

Join us in supporting a beautiful community vegetable garden. For a donation of $100, you can honor a loved one, convey appreciation, or recognize a special date. Your brick will be added to those in the paved walkway at the entrance to Culverhouse Community Garden.

Funds raised from the Memorial Path project finance projects needed to help this community garden thrive, enhance the common grounds, and help the garden reach its full potential. Help us pave the way by donating your brick(s) today. Email your questions to greenbeyer@gmail.com
